

Sabaton, Winged Hussars

When The Winged Hussars arrived

A cry for help in time of need, await relief from holy league
60 days of siege, outnumbered and weak
Sent a message to the sky, wounded soldiers left to die
Will they hold the wall or will the city fall

Dedication

Dedication

They're outnumbered 15 to one
And the battle's begun

Then the Winged Hussars arrived
Coming down the mountainside
Then the Winged Hussars arrived
Coming down they turned the tide

As the days are passing by and as the dead are piling high
No escape and no salvation
Trenches to explosive halls are buried deep beneath the walls
Plant the charges there and watch the city fear

Desperation

Desperation

It's a desperate race against the mine
And a race against time

Then the Winged Hussars arrived
Coming down the mountainside
Then the Winged Hussars arrived
Coming down they turned the tide

Cannonballs are coming down from the sky
Janissaries are you ready to die?
We will seek our vengeance eye for an eye

You'll be stopped upon the steps of our gate
On this field you're only facing our hate
But back home the sultan's sealing your fate

[Solo]

We remember

In september

That's the night Vienna was freed
We made the enemy bleed!

Then the Winged Hussars arrived
Coming down the mountainside
Then the Winged Hussars arrived
Coming down they turned the tide [x2]

[Chór]

Stormclouds, fire and steel

Death from above make their enemy kneel

Shining armour and wings

Death from above, it's an army of kings [x4]

We remember

In september

When The Winged Hussars arrived!
