

# Sabrina Carpenter, I'm Fakin

We're picking fights, we're fully grown  
How come we get so immature when we're alone?  
I roll my eyes, you check your phone  
You say I'm overly dramatic and I know

'Cause I wanna bring you to your knees  
Begging for me now, begging for me  
Push you to the edge to see  
How far you're willing to reach

I'm slamming the door, but I'm staying  
I make up my mind, then I change it  
It's you that I want when we're breaking  
Every time I tell you that we're done, I'm faking

I'm losing the game that I'm playing  
Keep pulling me close 'cause I'm caving  
Don't forget the words that I'm saying  
Every time I tell you that we're done, I'm faking

(La, la-la-la-la) I'm faking  
(La, la-la-la-la) I'm faking, oh  
(La, la-la-la-la) I'm faking  
Every time I tell you that we're done, I'm faking

We go ego to ego, starting fires  
Saying shit we don't mean, I mean we're liars  
But the truth is we're messed up and we like it  
Shut up, shut up, shut up

'Cause I wanna bring you to your knees  
Begging for me now, begging for me  
Push you to the edge to see  
How far you're willing to reach, yeah

I'm slamming the door, but I'm staying  
I make up my mind, then I change it  
It's you that I want when we're breaking  
Every time I tell you that we're done, I'm faking

I'm losing the game that I'm playing  
Keep pulling me close 'cause I'm caving  
Don't forget the words that I'm saying  
Every time I tell you that we're done, I'm faking

(La, la-la-la-la) I'm faking  
(La, la-la-la-la) I'm faking, oh  
(La, la-la-la-la) I'm faking  
Every time I tell you that we're done, I'm faking

I wanna bring you to your knees  
(I wanna bring you to your knees)  
Begging for me now (Begging for me)  
I wanna see how far you're willing to reach, yeah  
(How far you're willing to reach)

I'm slamming the door, but I'm staying (I'm staying)  
I make up my mind, then I change it (Change it)  
It's you that I want when we're breaking (It's you that I want, but)  
Every time I tell you that we're done, I'm faking

I'm losing the game that I'm playing (I'm losing the game that I'm playing)  
Keep pulling me close 'cause I'm caving (Keep pulling me close)  
Don't forget the words that I'm saying

(La, la-la-la-la) I'm faking

(La, la-la-la-la) I'm faking, oh

(La, la-la-la-la) I'm faking

Every time I tell you that we're done, I'm faking
