

Sabrina Carpenter, Nonsense (Remix with Coi Leray)

Think i only want one number in my phone
I might change your contact to don't leave me alone
you said you like my eyes and you like to make em roll
Treat me like a queen now you got me feelin thrown

But I can't help myself
When you get close to me
Baby my tongue goes numb
Sounds like bleh blah bleh
I don't want no one else
Baby I'm in too deep
Here's a lil song i wrote
It's about you and me

I'll be honest
Lookin at u got me thinkin nonsense
cartwheels in my stomach when you walk in
When you got your arms around me
Ooh it feels so good i had to jump the octave
I think i got an ex but i forgot him
And i can't find my chill i must have lost it
I don't even know I'm talking nonsense

This boy got me goin' crazy
We just started dating now he say he want a baby
He said Coi you so amazing
You a freak in the sheets and the streets, you such a lady
He like when I'm talkin' pop shit
It's your bed time come and lay up in it
You just gonna blame it on the goose
Come take off these Jimmy Choos
Yeah dim the lights got me in my mood
Fuckin' in Italy, Moulin Rouge
Sex on the flight and we breakin' all the rules
Soon as I land Ima need round two
He lovin' this body
Coi Leray you know I'm a problem
He want to come thru & solve it
Just miss me with that toxic
Yeah you talkin' that nonsense

But I can't help myself
When you get close to me
Baby my tongue goes numb
Sounded like blah blah bleh bleh
I don't want no one else
Baby I'm in too deep
Here's a lil song I wrote
It's about you and me

I'll be honest
Lookin at u got me thinkin nonsense
cartwheels in my stomach when you walk in
When u got your arms around me
Ooh it feels so good i had to hit the octave
I think i got an ex but i forgot him
And i can't find my chill i musta lost it
I don't even know I'm talking nonsense
I'm talking
I'm talking
I'm talking

This song harder than keeping a secret
He said my head's crazy, I'm a genius

What's better than one pop star?
it's two, bitch
it's Coi Leray and Brina on the remix
