Sabrina Carpenter, Nonsense (Remix with Coi Le

Think i only want one number in my phone I might change your contact to don't leave me alone you said you like my eyes and you like to make em roll Treat me like a queen now you got me feelin thrown

But I can't help myself When you get close to me Baby my tongue goes numb Sounds like bleh blah bleh I don't want no one else Baby I'm in too deep Here's a lil song i wrote It's about you and me

I'll be honest
Lookin at u got me thinkin nonsense
cartwheels in my stomach when you walk in
When you got your arms around me
Ooh it feels so good i had to jump the octave
I think i got an ex but i forgot him
And i can't find my chill i must have lost it
I don't even know I'm talking nonsense

This boy got me goin' crazy We just started dating now he say he want a baby He said Coi you so amazing You a freak in the sheets and the streets, you such a lady He like when I'm talkin' pop shit It's your bed time come and lay up in it You just gonna blame it on the goose Come take off these Jimmy Choos Yeah dim the lights got me in my mood Fuckin' in Italy, Moulin Rouge Sex on the flight and we breakin' all the rules Soon as I land Ima need round two He lovin' this body Coi Leray you know I'm a problem He want to come thru & solve it Just miss me with that toxic Yeah you talkin' that nonsense

But I can't help myself
When you get close to me
Baby my tongue goes numb
Sounded like blah blah bleh bleh
I don't want no one else
Baby I'm in too deep
Here's a lil song I wrote
It's about you and me

I'll be honest
Lookin at u got me thinkin nonsense
cartwheels in my stomach when you walk in
When u got your arms around me
Ooh it feels so good i had to hit the octave
I think i got an ex but i forgot him
And i can't find my chill i musta lost it
I don't even know I'm talking nonsense
I'm talking
I'm talking
I'm talking
I'm talking

This song harder than keeping a secret He said my head's crazy, I'm a genius What's better than one pop star? it's two, bitch it's Coi Leray and Brina on the remix
