

Sabrina Carpenter, Rescue Me

[Verse 1]

If I smile, dancing alone for a while
Would you rescue me?
And if I fall, hoping it's in your arms
I know, know, know you'll rescue me

[Chorus]

Hoo-oooh
La la la la da da
Whoa whoa whoa, darling, please rescue me
Hoo-oooh
La la la la da da
Whoa whoa whoa, won't you please rescue me?

[Verse 2]

Give your heart, baby, just ease your mind
To see that it's meant to be
Cause when I'm with you, darling, it's such a breeze
That I know, know you'll rescue me

[Chorus]

Hoo-oooh
La la la la da da
Whoa whoa whoa, darling, please rescue me
Hoo-oooh
La la la la da da
Whoa whoa whoa, won't you please rescue me?

[Bridge]

And honey, if you see me drowning
Baby, fish me out; I'm falling
I just need a voice for calling
And can't you see I trust you always?
So I will linger 'til you know
That I will never let you go if you rescue me

[Verse 3]

If I smile, dancing alone for a while
Would you rescue me?
And if I fall, hoping it's in your arms
I know, know, know you'll rescue me
