

Sabrina Taylor, Ferris Wheel

Little girl better watch yourself
get stuck in a crowd
don't wanna turn your back
there's no coming out
got messed up in the lies
your easily pleased
better watch your step before you
fall to your knees

ouch, Im stuck on a wire
this twisted desire is tearing me to pieces
but at the end of the day
I gotta believe there's something for me

(C)
Cause on the Ferris Wheel today
I thought I heard you say
you would be there for me
but after all that's said and done
I guess i'll be the one who walks
away with the pride
I'll hold my head up high

little girl better watch yourself
get stuck in a hole
your hanging around people you don't know
got messed up in the lies
your easily pleased
you didn't watch your step
now your on your knees

Ouch, this twisted desire
has got me
stuck on a wire and it's tearing me to pieces
but at the end of the day
I gotta believe there's something for me
