

# Saddle Club, Friends Forever

Friends, you know what I'm thinking  
And if your hearts are sinking  
I'll stick by you  
I'll be there forever  
Through all kinds of weather  
I'll stick by you  
You stood here with me  
And I want you to see  
We will be friends forever  
There's nothing we can't do  
If we stick together forever  
There's nothing we can't do  
Were the invincible crew  
I'll stick by you  
If you want me to  
Friends, sharing our dreams  
We say what we mean  
I'll stick by you  
Together we're strong  
We'll get along  
I'll stick by you  
Were young and were free  
And I want you to see  
We will be friends forever  
There's nothing we can't do  
If we stick together forever  
There's nothing we can't do  
Were the invincible crew  
I'll stick by you  
If you want me to  
All for one and one together  
We'll ride through this world together  
We will be friends forever  
There's nothing we can't do  
If we stick together forever  
There's nothing we can't do  
We will be friends forever  
There's nothing we can't do  
If we stick together forever  
I'll be there for you  
We will be friends... forever  
We will be friends... forever
