Sade, Hang On To Your Love

In heaven's name why are you walking away
Hang on to your love
In heaven's name why do you play these games
Hang on to your love
Take time if you're down on luck
It's so easy to walk out on love
Take your time if the going gets tough
It's so precious

So if you want it to get stronger You'd better not let go You gotta hold on longer If you want your love to grow

Gotta stick together Hand in glove Hold tight, don't fight Hang on to your love
