Sade, Lovers Rock

[1] - I am in the wilderness You are in the music In the man's car next to me Somewhere in my sadness I know I won't fall apart completely

[2] - When I need to be rescued And I need a place to swim I have a rock to cling to in the storm When no one can hear me calling I have you I can sing to

[3] - And in all this And in all my life

[4] - You are the lovers rock The rock that I cling to You're the one The one I swim to in a storm Like a lovers rock

[Repeat 1] [Repeat 3] [Repeat 4] [Repeat 4]

When I need to be rescued you're there When I need a place to swim to in a storm I sing to you And all my life And in all my life
