

# Sade, War Of The Heart

I could aim  
But I could not fire  
Got a bullet to spare  
To kill my desire  
Who's calling the shots  
One of us must make the Peace  
To have or to have not  
The fire has got to cease

I'm loaded  
Don't know where to point this thing  
It's a sin  
How we hit where it hurts

Who's calling the shots  
One of us must end this masquerade  
To have or to have not  
Let's heal the wounds that we've made

It's a war of the heart (it's a war of the heart)  
It's a war of the heart

Got a bullet to spare, don't wanna send it your way

Who's calling the shots  
One of us, must make the peace  
To have or to have not  
The fire has got to cease

It's a war of the heart (it's a war of the heart)  
It's a war of the heart

I'm loaded  
Don't know where to point this thing  
(it's a sin) It's a sin  
How we hit where it hurts (where it hurts)

One of us  
Gotta end this masquerade  
Got to heal the wounds that we've made  
I've got a bullet to spare  
Don't want to send it your way  
If you want to end it  
If you want to end it just say

It's a war of the heart (it's a war of the heart)  
It's a war of the heart

(Got to end this masquerade)

I've got a bullet to spare  
Don't want to send it your way  
If you want to end it  
If you want to end it just say

It's a war of the heart  
It's a war of the heart
