

# Sadus, Crutch

I can't hear but all the screams - Coming down It's how it's been  
Leave me now and they'll soon be gone - And if not the way I'll make them then  
Find life or do without  
Fight all the way slow death  
A filthy breed is you and me  
A cry out for help that no one sees  
Do they scream for you - There's no way run away  
Do they scream for you - You can't get away  
Pain from within coming out I'm caving in  
There's no way out  
A lost soul no consciousness casts out itself  
There's no way out  
The weight is gone - Now live life  
It seems you can't go on - It's a hard life  
No more pain - Hard every way  
Crutch - I can't go on  
I can't hear but all the screams - Come down I can't retreat  
Leave me now I'll soon be gone - If not the way I'll make them then  
Find life or do without  
Fight all the way a slow death  
A filthy breed is you and me  
A cry out for help that can't be seen  
Do they scream for you - There's no way run away  
Do they scream for you - Can't get away  
There's no way out
