

# Safura, Drip Drop

You are my man  
You are my half  
Tell me what's happening  
I know something's wrong  
I can tell when you lie  
I can tell you've stopped trying

These last three weeks past and we've barely talked  
I think I know, and it's breaking my heart  
Am I in or am I out?

Can I love you forever through this?  
Can I trust in you forever through this?  
I don't know how to stop, how to stop  
These teardrops  
That drip drop drip drop  
And drip drop drip drop  
Oh.. Oh...

Tell me where have you been?  
Why are you late?  
You smell like lipstick again  
Come on, answer my question!  
Say something.  
Why are you acting out?  
Oh, say it's in my head...

Can I love you forever through this?  
Can I trust in you forever through this?  
I don't know how to stop, how to stop  
These teardrops  
That drip drop drip drop  
Drip drop drip drop  
Oh.. Oh...

I don't wanna cry  
I don't wanna hear your name  
If this is where it ends  
I don't wanna run  
Run away from myself  
And be lost again

Can I love you forever through this?  
Can I trust in you forever through this?  
I don't know  
These teardrops  
I don't know  
That drip drop drip drop
