

# Saga, Ice In The Rain

It's not easy  
It's hard to please me  
If you're angry - turn it up  
Getting older  
Here's my shoulder  
Now go on and - turn it up

[bridge]  
Everything that you're feeling  
Yes, time has been healing and  
if you only do one thing it's  
learn how to wait

You can hide it  
You can fight it  
While you're waiting - turn it up  
Time will heal it  
Can you feel it  
I know you know it - turn it up

[repeat bridge]

[chorus]  
Now all of those feelings  
are melting away  
Now it's okay  
It's like ice in the rain

Are you ready?  
Keep it steady  
You control me - turn it up  
You'll get through it  
There's nothing to it  
So just do it - turn it up

[repeat bridge]  
[repeat chorus]

And if you're feeling  
You're going insane  
You'll find out the pain  
is just ice in the rain

There is no pain there's only  
ice in the rain  
Don't turn away it's only  
ice in the rain

[repeat chorus]

All that you do now  
and all that you say  
is melting away  
It's like ice in the rain
