

# Saga, Sick and tired

You say you know me well and you know my kind - I say you don't. You say that money is the one  
You don't know how it feels to walk a mile in my shoes - and you will never know! I'm sick and tired  
So called comrades of the cause, most times I don't know friends or foes. Backstabbing rumours a  
You don't know how it feels to walk a mile in my shoes - and you will never know! I'm sick and tired  
Thought we were in this together, fighting for our peoples sake. Guess I was wrong there instead, y
