

# Saga, These moments

I know the beauty in the eyes of a newborn child, there's just no way of explaining what I feel inside  
These moments I'll cherish forever and I will make sure, that she has it all has everything that she n  
Her smile can melt the coldest of hearts, her laugh can turn a stone into Gold. I hear my soul speak  
These moments I'll cherish forever and I will make sure, that she has it all has everything that she n
