

# Sahara feat. Mario Winans, Mine

Yo it's ya boy Mario Winans  
My girl Sahara,  
Produced by ma'man Costi  
Baby be mine  
Let's go.

Baby are you mine, mine, mine, mine?  
And could we live a fairytale together  
I wanna make you mine, mine, mine, mine.  
Say you will be mine.  
So Baby are you mine, mine, mine, mine?  
And could I be your one true love forever?  
Let me make you mine, mine, mine, mine, mine?  
(won't you be mine girl?)  
Say you'll be mine.

I wanna look into your eyes every single time,  
I wanna love you like no one ever has before,  
I wanna be by your side every night and  
Day and live our own fairytale.  
If you were mine, mine, mine, mine  
(every dream will come true).  
Baby your fine, fine, fine  
There's no other but you.  
So fine, fine, fine  
It was meant to be you,  
And you're all I've been  
Waiting to find.

Baby are you mine, mine, mine, mine?  
And could we live a fairytale together  
I wanna make you mine, mine, mine, mine.  
Say you will be mine.  
So Baby are you mine, mine, mine, mine?  
And could I be your one true love forever?  
Let me make you mine, mine, mine, mine, mine?  
(won't you be mine girl?)  
Say you'll be mine.

(Costi Ionita) 2x  
You make my body hot!  
You make my body wild!  
You got me good my heart is racing,  
Hot, hot, oh baby don't you stop!  
You make my heart go pop.  
You got heart,  
You've got me spinningg,

Baby tell me you need to hold me, find me..  
Let my love for you take us higher  
Oh, just say that you love me,  
Cause I'm so in love with you.

If you told me that you want me,  
That you love me,  
Yes i love you and I'll give you  
every moment

Give my heart to you,  
Give my soul to you,  
All my love to you,  
Oh! (baby won't you tell me)

Baby are you mine, mine, mine, mine?

And could we live a fairytale together  
I wanna make you mine, mine, mine, mine.  
Say you will be mine.  
So Baby are you mine, mine, mine, mine?  
And could I be your one true love forever?  
Let me make you mine, mine, mine, mine, mine?  
(won't you be mine girl?)  
Say you'll be mine.
