

Saidowski & Paul, Crazy

In a church by the face
He talks about the people going under
Only child know
A man decides after seventy years
That what he goes there for
Is to unlock the door
While those around him criticize and sleep
And through a fracture on that breaking wall
I see you my friend and touch your face again
Miracles will happen as we trip
But we're never gonna survive unless
We get a little crazy
No we're never gonna survive unless
We are a little
Cray cray crazy
Crazy are the people walking through my head
One of them got a gun to shoot the other one
And yet together they were friends at school
Get it, get it, get it, yeah!
If all were there when we first took the pill
Then maybe then maybe then maybe then maybe
Miracles will happen as we speak
But we're never gonna survive unless
We get a little crazy
No we're never gonna survive unless
We are a little
Crazy
No no we'll never survive unless we get a little bit
A man decides to go along after seventy years
Oh darling
In a sky full of people only some want to fly
Isn't that crazy
In a world full of people only some want to fly
Isn't that crazy
Crazy
In a heaven of people there's only some want to fly
Ain't that crazy
Oh babe Oh darlin'
In a world full of people there's only some want to fly
Isn't that crazy
Isn't that crazy Isn't that crazy Isn't that crazy
Oh
But we're never gonna survive unless we get a little crazy crazy
No we're never gonna to survive unless we are a little crazy
But we're never gonna survive unless we get a little crazy crazy
No we're never gonna to survive unless we are a little crazy
No no never survive unless we get a little bit
And then you see things
The size of which you've never known before
They'll break it
Someday
Only child know
Them things
The size
Of which you've never known before
Someday
