

Sainc, New Old World

Refuse
Pollution
Modifications of genes

Agreement
Money
Mouths closed

New Old World
We live here
They lie to us
You have what you want

New Old World

World crisis
Extinction of population
Erosion of earth
Natural lack of renovation

New awful times
Food fuels wars
Do you still see the death
You are it

Responsibility
You have not
You fight
Survive conquer

Modifications
Changes in procedure

New worlds
Wars mankind

Old world
Modified homo sapiens

Global village
Battle about life
