

# Saint Etienne, 21st Century Christmas

The satellite's tracking Santa  
We'll text our Christmas list  
And leave our mobile numbers  
To help out old Saint Nick

Sometimes we stop and wonder  
Has that old bubble burst?  
Or will this Christmas morning  
Be like the first

But tonight we'll still thank Santa Claus  
And raise a glass to friends of ours  
Peace on Earth, goodwill to all  
The future is the past

Let's have a slow light,  
Snowball fight,  
Silent night,  
Dynamite  
21st century Christmas

Magic morn  
Tree adorned  
All at home  
Safe from harm  
21st century Christmas

We'll microwave some popcorn  
And put on a DVD  
Thanks Uncle Jimmy Savile  
For fixing you and me  
These days we watch and wonder  
Has Christmas lost it's touch?  
And will our chocolate money  
Be worth that much?
