Saint Etienne, Driving Home For Christmas

I'm driving home for Christmas, oh, I can't wait to see those faces. I'm driving home for Christmas, yeah, well I'm moving down the line.

And it's been so long, but I will be there; I sing this song to pass the time away

Driving home for Christmas top to toe in tailbacks. Oh, I caught red lights on the run, get my feet on snowy ground.

So I sing for you, though you can hear me when I get through and feel you near me.

I'm driving home for Christmas with a thousand memories. I'm driving home for Christmas, I look at the driver next to me; he's just the same.
