

Saint Etienne, How I Learned To Love The Bomb

(sample:) Gentlemen, if you please. I think we're just about ready to record.

(Aah-aah-aah-aah.) /

Now I've learned to love the bomb, / now I've learned to love the bomb. /
Now I've learned to love the bomb, / now I've learned to love the bomb. /
Now I've learned to love the bomb, / now I've learned to love the bomb. /
Now I've learned to love the bomb, / now I've learned to love the bomb. /

What the hell do you take me for? /
If you're going to make bombs you're looking for war. /

Now I've learned to love the bomb, / now I've learned to love the bomb. /
Now I've learned to love the bomb, / now I've learned to love the bomb. /
Now I've learned to love the bomb, / now I've learned to love the bomb. /
Now I've learned to love the bomb, / now I've learned to love the bomb. /

(Aah-aah-aah-aah, / aah-aah-aah-aah, / aah-aah-aah-ahh...)
