

# Salad, I Want You

( I want you EP )

You know I loved you  
When I first set eyes on you  
And now you tell me  
You felt the same way too

Now I want you  
I want you  
Yes I want you to know that  
Loving you has changed my life

My life was empty  
A meaningless charade  
Before I met you  
I played the losing card

Sad as I was  
I always knew that  
Love would come to me  
Now that you're here  
My happiness is  
Boundless as can be

Yes I want you to know that  
Loving you has saved my life
