

# Salamandra, Royal Hearing

Here we come  
Come when our homes are burning  
Here we come  
Come gather round

For our land  
We will go fighting bravely  
For our Queen  
We shall fight  
We all shall fight  
We all shall fight  
We all shall fight  
Fight till we die

For you, you our Queen we will not mind pain  
United we stand, divided we fall  
Please, Abigail, let us know  
Who is in command and where to go

For you, you our Queen we will not mind pain  
United we stand, divided we fall  
Please, Abigail, let us know  
Who is in command and where we go
