

Saliva, Family Reunion

Ladies and gentlemen, here I come again
I consider all you folks my friends
Been gone for awhile, but I'm back again
to host a mother-lovin' party that never ends
You've been beside me through all my ups and downs
You've seen me fall and you've seen me stand up so proud
You've seen me draw everyone one of you in to a crowd
So throw your hands up and shout it out loud!

Go, go, go, go, go, go, come on, come on
Go, go, go, go, go, go, come on, come on

Cause here we come again
Everybody get all your friends
and forget the world's confusion
It's a family reunion
We can make you feel alright
if you open up your eyes
and forget the world's confusion
It's a family...

Hear the crowd go BOOM! BOOM!
Hear the crowd go, hear the crowd go BOOM! BOOM!
Hear the crowd go, hear the crowd go...

Now that you can feel the music deep inside
Listen to the lyrics, open up your mind
Feel the power of the beat between your thighs,
You're damn right, we came to take you on a ride
Everything that you heard in the past is gone
Let it all fade away cause you can't hold on
Sit back as I wrestle this microphone
and raise your hands up and shout it out loud!

Go, go, go, go, go, go, come on, come on
Go, go, go, go, go, go, come on, come on

Cause here we come again
Everybody get all your friends
and forget the world's confusion
It's a family reunion
We can make you feel alright
if you open up your eyes
and forget the world's confusion
It's a family...

Hear the crowd go BOOM! BOOM!
Hear the crowd go, hear the crowd go BOOM! BOOM!
Hear the crowd go, hear the crowd go...

Cause here we come again
Everybody get all your friends
and forget the world's confusion
It's a family reunion
We can make you feel alright
if you open up your eyes
and forget the world's confusion
It's a family...

Hear the crowd go BOOM! BOOM!
Hear the crowd go, hear the crowd go BOOM! BOOM!
Hear the crowd go, hear the crowd go...
