

Saliva, Here With You

Well I heard your voice on a Tulsa wind when I was far away from home
I will come to you in a dream my friend
To love you when I'm gone

And there's never a second
Never a moment
That you'll ever be alone

From Memphis to Oklahoma
From Boston to California
From Detroit to Arizona
I will always be forever here with you

Well the first time I ever saw your face
I saw a ghost behind your eyes
Heaven consuming me with your warm embrace
You're a woman and a child

And in just one second
Just one moment
It finally feels like home

From Memphis to Oklahoma
From Boston to California
From Detroit to Arizona

I will always be forever here with you

From Memphis to Oklahoma
From Boston to California (here with you)
From Detroit to Arizona
I will always be forever here with you

In life there will be
Trials and troubles
But we will always have each other
And there could never
Be another woman in this world

In this world x3

From Memphis to Oklahoma
From Boston to California
From Detroit to Arizona
I will always be forever here with you

From Memphis to Oklahoma (here with you)
From Boston to California (here with you)
From Detroit to Arizona
I will always be forever here with you
