

Saliva, Musta Been Wrong

Long Time To See You.
Long Time To See You,
It DonT Matter Who You Seem To Be,
ItS A Long Time To See You.
Long Time To Love You.
Still thinking of You
It DoesnT Matter Who You Seem To Be,
Its All A Long Time To Love You.
So What Went Wrong.
What Went Wrong.
Long Time To See It.
Long Time To Be It.
Creeping Up Fast It Blinded Me ItS A Long Time To Be It.
Long Time To Love You,
Still Thinking Of You.
It DonT Matter Who You Seem To Be.
ItS A Long Time To Love You,
So What Went Wrong.
What Went Wrong.
And You Can Wait So Long,
You Can Wait So Long.
And You Can Wait So Long.
I Musta Been Wrong,
Yea Yea yeaaa
(Come On!)
I Musta Been Wrong.
I Musta Been Wrong
I Musta Been Wrong
I Musta Been Wrong
(Come On, Come on)
And You Can Wait So Long.
And You Can Wait So Long.
And You Can Wait So Long.
I Musta Been Wrong
I Musta Been Wrong
I Musta Been Wrong
Yea Yea Yeaaaaaa
Wha Wha What Went Wrong,
Wha Wha What Went Wrong.
Wha Wha What went wrong
