

# Saliva, Rest In Pieces

Look at me, my depth perception must be off again,  
Coz' this hurts deeper than I thought it did,  
It has not healed with time...  
It just shot down my spine.  
You look so beautiful tonight,  
Remind me how you laid us down,  
And gently smiled,  
Before you destroyed my life...  
Would you find it in your heart,  
To make this go away,  
And let me rest in pieces?  
(Let me rest in pieces)  
Would you find it in your heart,  
To make this go away,  
And let me rest in pieces?  
(Let me rest in pieces)  
Look at me, my depth perception must be off again,  
You got much closer than I thought you did,  
I'm in your reach,  
You held me in your hands...  
But could you find it in your heart,  
To make this go away,  
And let me rest in pieces?  
(Let me rest in pieces)  
Would you find it in your heart,  
To make this go away,  
And let me rest in pieces?  
(Let me rest in pieces)  
Could you find, could you find in your heart?  
(Could you find, could you let me rest in pieces)  
Could you find, could you find in your heart?  
(Could you find, could you let me rest in pieces)
