

Saliva, Sink

Rest my head
keep me easy in your shed
keep me up and keep me whole and keep me sane
rest my bones keep me easy in your throne
keep me up and keep me closer to the flame
But I don't like it
but I can't like it
I'm sinking down the drain
Rest my bones keep me easy in your throne
keep me up and keep me whole and keep me high
rest my head keep me easy in your shed
don't you know that I would rather be alive
But I don't like it
but I don't like it
but I don't like it
I'm sinking down the drain
Keep pushing me down
keep pushing me down
keep pushing me down
on my face.
