

Salsotto, No Time For Lies

No Time for lies
I'm a sentimental Girl
What I wanna say,
is something you should know
I'll be missing you
One day you'll leave my world
but I have no time
for any lie

No Time for lies
I'm a sentimental Girl
What I wanna say,
is something you should know
I'll be missing you
One day you'll leave my world
but I have no time
for any lie

I'm Sure you know how much I love you
I'm Sure you know how much I care of you
But just remeber what I telling you
Everywhere you go

No Time for Lies
(no time for lies)

I'm sure you know how much I need you
I'm sure you know how much I want you
But just remeber what I telling you
Everywhere you go

No Time for lies

I'm a sentimental Girl
What I wanna say,
is something you should know
I'll be missing you
One day you'll leave my world
but I have no time
for any lie

But I have no time for any lie
But I have no time for any lie
