

Sam And Mark, With A Little Help

what would you think if i sang out of tune
would you stand up and walk out on me
lend me your ears and i'll sing you a song
and i'll try not to sing out of key

(oh) i get by with a little help from my friends
i get high with a little help from my friends
i'm gunna try with a little help from my friends

what do i do when my love is away
does it worry you to be alone
and how do i feel by the end of the day
are you sad because your on your own

(no) i get by with a little help from my friends
i get high with a little help from my friends
i gunna try with a little help from my friends

do you need anybody
i need somebody to love
could it be anybody
i want somebody to love

won't you believe in love at first site
yes i'm sure that it happens all the time
what do you see when you turn out the light
i can't tell you but i know that it's right

i get by with a little help from my friends
i get high with a little help from my friends
i'm gunna try with a little help from my friends

do you need anybody
i just need someone to love
could it be anybody
i want somebody to love

i get by with a little help from my friends
i get high with a little help from my friends
i'm gunna try with a little help from my friends
i get by with a little help from my friends
i get high with a little help from my friends
i'm gunna try with a little help from my friends

i get by with a little help from my friends
