

Sam And Mark, With A Little Help From My Friends

Sam: What would you think if I sang out of tune, would you stand up and walk out on me, lend me your ears and I'll sing you a song, and I'll try not to sing out of key.

Both: Oh, I get by with a little help from my friends, I get high with a little help from my friends, I won't

Mark: What do I do when my love is away?

Sam: Does it worry you to be alone

Mark: How do I feel by the end of the day?

Sam: Are you sad because you're on your own

Both: Oh, I get by with a little help from my friends, I get high with a little help from my friends, I won't

Both: Do you need anybody?

Sam: I need somebody to love

Both: Could it be anybody

Mark: I want somebody to love

Both: To love, To love, To love, To Love, To Love

Both: Would you believe in our love at first sight?

Mark: Yes I'm sure that it happens all the time

Both: What do u see when you turn out the light

Sam: I can't tell you but I know that its mine

Both: Oh, I get by with a little help from my friends, and I get high with a little help from my friends, I won't

Both: Do you need anybody?

Sam: I need somebody to love

Both: Could it be anybody

Mark: I want somebody to love

Both: Oh, I get by with a little help from my friends, and I get high with a little help from my friends, I won't try
I get by with a little help from my friends, and I get high with a little help from my friends, I won't try
I get by with a little help from my friends

Both: With a little help from my friends
