Sam Brown, This Feeling

Take it all I would willingly give you everything this could fall if you want it to or we could take this time now and move I don't want to lose it I don't want to lose it all I don't want to lose this feeling Where you are is it really where you want to be has it gone too far did you want it to is this time to find out and move I don't want to lose it I don't want to lose it all I don't want to lose this feeling
