

Sam Cooke, You Were Made For Me

A fish was made to swim in the ocean.
A boat was made to sail on the sea.
As sure as there are stars above,
I know I know you were made for me.
You were made for me.

A grape was made to grow on a vine
An apple was made to grow on a tree
As sure as there are stars above,
I know I know you were made for me.

We'll have our quarrels and you'll upset me
But what can I do?
You've been mine ever since I met you and I'll never leave you
no I'll never leave you
As sure as there's a heaven up above me,
from you I know I'll never be free.
As sure as there are stars above,
I know I know you were made for me.

A fish was made to swim in the ocean.
A boat was made to sail on the sea.
As sure as there are stars above,
I know I know you were made for me.
You were made for me.
A grape was made to grow on a vine
An apple An apple was made to grow on a tree
As sure as there are stars above,
I know I know you were made for me.

We'll have our quarrels and you'll upset me
But what can I do
You've been mine ever since I met you and I'll never never never never never
never leave you.

As sure as there's a heaven up above me,
from you I know I'll never be free.
As sure as there are stars above,
I know I know you were made for me.
