

# Sam Fischer, Iceberg

I don't sleep too much at all  
I'm all up in my head of course  
Conversations with the walls  
And I swear if they could talk  
They would say, "Calm it down, calm it down, it's alright  
You've got everything you told the moon about  
It's your mind in the way of a good time"  
I'm freaking out

I'm at the tip of the iceberg  
I've heard nothing's gonna slow it now  
The only man on the island  
I've been looking for a way to get out  
I've heard I'm on fire, oh no  
'Cause if I'm on fire, I know  
That at the tip of the iceberg  
It's only going down  
It's only going down

Mum don't have our old address  
But that don't mean I miss it less  
It's the place I found my legs  
And I swear if she was here  
She would say, "Calm it down, calm it down, it's alright  
You've got everything you used to talk about  
It's your mind in the way of a good time"  
I'm freaking out

I'm at the tip of the iceberg  
I've heard nothing's gonna slow it now  
The only man on the island  
I've been looking for a way to get out  
I've heard I'm on fire, oh no  
'Cause if I'm on fire, I know  
That at the tip of the iceberg  
It's only going down  
It's only going down  
Yeah, yeah, yeah, yeah  
It's only going down  
Yeah, yeah, yeah, yeah

I'm at the tip of the iceberg  
I've heard nothing's gonna slow it now  
The only man on the island  
I've been looking for a way to get out  
I've heard I'm on fire, oh no  
'Cause if I'm on fire, I know  
I know that at the tip of the iceberg  
It's only going down  
It's only going down  
Yeah, yeah, yeah, yeah  
It's only going down  
Yeah, yeah, yeah, yeah  
I'm at the tip of the iceberg
