

Sam Phillips, I Don't Know How To Say Goodbye

I don't know how to say goodbye to you,
I'm not good at things that I don't want to do,
Should I pretend that I don't care,
You don't feel what I feel is there,
I don't know how to say goodbye.

I don't know how to say goodbye to you,
I'm not good at things that I don't want to do,
Should I pretend that I don't care,
That you don't feel what I feel is there,
I don't know how to say goodbye.

A kiss,
I insist that we play this game of lovers
And a touch,
If I look away too much,
Would my feelings be discovered.

I don't know how to say goodbye to you,
I'm not good at things that I don't want to do,
Should I pretend that I don't care,
You don't feel what I feel is there,
I don't know how to say goodbye.

Would you be scared,
If I just stared,
And left you look inside me,
Should I smile and just walk away,
So my eyes can get jaded.

I don't know how to say goodbye to you
I'm not good at things that I don't want to do
Should I pretend that I don't care
Like you don't feel what I feel is there
I don't know how to say goodbye
Ohhhh
I don't know how to say goodbye
Ohhhh
I don't know how to say goodbye
To you
Ohhh to you
To you
