

# Sam Phillips, You're The Same

(chorus)

You're the same forever  
Yesterday or today, You will love me this way  
Cuz your heart never changes

(repeat chorus)

Feelings like the desert sands  
Shift with the whisper of the wind  
Now I feel so close to you  
Then I feel so far again

(repeat chorus)

Months of heartache, weeks of joy  
Days that are somewhere in between  
You're the timeless hope I hold  
In a world of fading dreams

(bridge)

And Jesus, Your power  
To work in our life remains the same  
Cuz You are mighty, You are mighty

(repeat chorus)
