

# Sam Roberts, Diagnosis Evil

You never see me back down,  
No,  
I,  
Won't,  
Go quietly,  
Holding hands,  
Childs romance,  
I've got better plans,  
A secret mission from the underground,  
A coupe de ta,  
&quot;Missing line&quot;

Theirs a look in my eyes,  
Its undeniable,  
Don't look so surprised,  
Its undeniable,  
Ands its from your home,  
(Oooooohhhh)
