

Sam Roberts, The Canadian Dream

I Went out on the street today
The Canadian Dream was as far away as its ever been
As its ever been
S.O.C.I.A.L.I.S.M. is here to stay
S.O.C.I.A.L.I.S.M. is the only way
Frozen land, frozen minds
Frozen hands and frozen time
Cause everything moves real slow when its forty below
Everything moves real slow when its forty below
Yeah, everything moves real slow when its forty below
When its forty below
S.O.C.I.A.L.I.S.M. is here to stay
S.O.C.I.A.L.I.S.M. is the only way
