

# Sam Smith, Not In That Way

And I hate to say I love you  
When it's so hard for me  
And I hate to say I want you  
When you make it so clear  
You don't want me

I'd never ask you cause deep down  
I'm certain I know what you'd say  
You'd say I'm sorry believe me  
I love you but not in that way

And I hate to say I need you  
I'm so reliant  
I'm so dependant  
I'm such a fool

When you're not there  
I find myself singing the blues  
Can't bear  
Can't face the truth

You will never know that feeling  
You will never see through these eyes

I'd never ask you  
Cause deep down I'm certain I know what you'd say  
You'd say I'm sorry  
Believe me  
I love you  
But not in that way

You'd say I'm sorry  
Believe me  
I love you  
But not in that way
