

# Sam Smith, Perfect feat. Jessie Reyez

I'm not perfect, but I'm worth it  
I'm not perfect, but I'm working on it  
I go up, I go down, I go all the way around  
I'm not perfect, but I'm worth it

I used to love the nightlife  
Till the nightlife got too lonely  
Might be time for the right guy  
Got a feeling that it could be you  
You like them crazy, do you?  
I'm crazy through and through  
I wear my flaws like jewellery  
And I'm dripping

Yo, I used to love the nightlife  
Till the nightlife got too boring  
Might be time for the right guy  
Got a feeling that it could be you  
Could be you, should be you  
Two plus two makes one in love  
It could be us, baby touch, I'm soft to touch, yeah

I'm not perfect, but I'm worth it  
I'm not perfect, but I'm working on it  
I go up, I go down, I go all the way around  
I'm not perfect, but I'm worth it

Big lips, just how I like  
Be brave, boy, put them on me  
I go crazy in the twilight  
Got a feeling like you do too (Yeah)  
You love that trouble, do you?  
I'm trouble through and through (I'm trouble)  
I wear my flaws like jewellery  
And I'm dripping

You like them crazy, do you? (Crazy)  
I'm crazy through and through (Through and through, yeah)  
I wear my flaws like jewellery  
And I'm dripping

I'm not perfect, but I'm worth it  
I'm not perfect, but I'm working on it  
I go up, I go down, I go all the way around  
I'm not perfect, but I'm worth it

But I'm worth it (Yeah, yeah, yeah)  
Hey, you know I'm not perfect  
Hey, you know that I'm just worth it  
Yeah, you know  
That I'm worth it  
You know, you know, and you know  
That I'm worth it  
You know I'm worth it  
You know I'm worth it  
You know I'm worth it, yeah (You know I'm worth it)
