Sam Smith, Safe With Me

If you ever need me Just tell me and I'll be there Cause I was built for you Yes I was built to carry all your feelings

Cause I won't let them know I won't let you go baby I don't care what your past is I don't need no answers Just have faith in me

Don't you know your secret's safe with me (My heart it would be, my heart it would be, be)
All your worries can be put to, can be put to sleep (My heart it would be, be)
Don't you know your secret's safe with me (My heart it would be, my heart it would be)
All your worries can be put to, can be put to sleep (My heart it would be, be)

No need to step back Don't be scared, I got you, you know that I'm here when you are sad When all of your clouds turn black

Cause I won't let them know I won't let you go baby I don't care what your past is I don't need no answers Just have faith in me

Don't you know your secret's safe with me (My heart it would be, my heart it would be, be)
All your worries can be put to, can be put to sleep (My heart it would be, be)
Don't you know your secret's safe with me (My heart it would be, my heart it would be)
All your worries can be put to, can be put to sleep (My heart it would be, be)
