Sam Smith, The Lonely Hour

I need someone that I'll look to In the lonely hour That we all go through To give me comfort And love me through In the lonely hour I need you I need you I need you

I don't need diamonds
I don't need jewels
No amount of riches will cover up these blues
I don't need suggestions on how to start a new
In the lonely hour I need you
There's nothing I can do
I'm hopeless without you

It's lonesome point of view
And there's a wistful silence in an empty room
These other voices they don't cut through
In the lonely hour I need you
I need you
And i need you
I need someone that I'll look to
In the lonely hour I need you
I need you
