

# Samael, Infra Galaxia

Instant of grace reaching the soul of a million faces  
toward the sun there's no way through

Infra galaxia  
Extra light delta

rolling and sailing  
flying or walking  
the move is fixed at the furthest point

to ride longer than time...

rolling and sailing  
flying or walking  
the move is fixed at the furthest point  
juxtaposition of mind pattern  
extrapolation of hollow void  
...creation
