Samantha Fox, I Wanna Have Some Fun

Hello, it's me again

Don't you know it's hard to keep a good woman down

But then again, maybe that could be fun

Sa-Sa-Sa-Samantha Fox!

Ain't it funny how when I say let's go out

You're always saying someone else will get me

What's a girl to do - I like to have fun too

But you're so jealous - you never let me

So how come you can leave - but when it comes to me

Always something I must prove

You know I love you - always thinking of you

But tonight - I've got to make that move

I wanna have some fun

Move my body all night long

I wanna have some fun

Move my body all night long

Working 9 to 5 each and every day

What your momma used to say - All work - No play

I know what to do - I think I'll call my crew

Of course, I love you - but naughty girls need fun too

Could it be that I make you feel guilty why

Is there something I can't see - NO

I just don't buy it - so don't even try it

I've got to go in the place to be

I wanna have some fun

Move my body all night long

Working hard every day

So I ain't staying home no way

I need it

I want it

Got to

Flaunt it

I'm not a prisoner - can't you see

Unlock the door so I can breathe

Whenever it comes to you my dear

I say stay with me but you still go

So now I learn, it's my turn

I want you to stay here with me

You can have fun with me

With you?

Yeah, with me!

Come on... I can have loads of fun without you

Without me?

Yeah!
