

Samantha Jade, What I Got

Tell me boy what you want
How you want we could do this
Anything that you want
We could do how you like it
When you gonna get with me
You for get all the rest cuz
Aint no girl out like me
That's got what I got

you got the things I like
you know just what to do
boy you got me so so so addicted
why, why you actin shy
look into my eyes
I'll make it worth your time
So so come on now

Tell me boy what you want
how you want we could do this
anything that you want
we could do how you like it
when you gonna get with me
you forget all the rest cuz
aint no girl out like me
that's got what I got

I am trying to get through
I'll show you what to do
Boy I'll make you so so so addicted
Say what you wanna say but
dont let the words get in the way
just do the things I tell you
let me tell you
baby you got my attention
nobody elts holds me down like you do
so come on now

Tell me boy what you want
how you want we could do this
anything that you want
we could do how you like it
when you gonna get with me
you forget all the rest cuz
aint no girl out like me
that's got what I got

baby how you want it
we could do this yeahhh
we can do how you like it
all the rest cuz
that got what I got
what I got
I gott that something that you want
what I got
I got that something that you talk about
what I got
I got that something that you want
what I got
I got something that you dream about

Tell me boy what you want
how you want we could do this
anything that you want
we could do how you like it

when you gonna get with me
you forget all the rest cuz
aint no girl out like me
that's got what I got

baby

Tell me boy what you want
how you want we could do this
anything that you want
we could do how you like it
when you gonna get with me
you forget all the rest cuz
aint no girl out like me
that's got what I got
