

Samantha Mumba, Body II Body (Smooth Mix)

Body II Body (Smooth Mix)
(Feat. Terri Walker And Tan Caramel)

Intro: Male Voice

Yeah c'mon

Remix soul inside

Break it down now

Uh, yeah

It's funk

Yeah, uh

C'mon, mmm, yeah

Rap 1: Tan Caramel

I got a million dollar strip

In the club it's all hot

It's the best not to miss

You know I'm all up in this party

People movin' it's live in this joint

And I can't see the point

In standing up all night, uh

Let's get it on

'Cos I got a muret thong

And I wanna sweat until the break of dawn

(Ai yo tell them how you like it girl)

From the behind please

And I wrap my legs around your back and squeeze

Mama said

Don't you play around town

But I just can't control myself

Picking up that boy tonight

Ain't gonna put him down 'til it feel all right

People stop and stare

Cuz looking is fair

Come on over baby let me show you how I care

It's getting hot in here

My biorhythm's jumping

Got my circulation pumping

We are

Chorus: Terri Walker

There's a party tonight

And when we dancing we hear people singing

Sha la la la la la la

Body 2 Body

If you feel you the front tonight

Please everybody let me hear you

Sha la la la la la la

Body 2 Body

It's physical

Not just spiritual attraction

I hear you coming when I ring the dinner bell

Got my phazer set to stun

Now we're gonna have some fun

I got my people up inside

Baby wanna ride

Party's fairly jumping but we're gonna have to slide

I need a miracle

Turn it up a little higher

The roof is on fire

We are

Chorus: Terri Walker

There's a party tonight

And when we dancing we hear people singing

Sha la la la la la la

Body 2 Body

If you feel you the front tonight

Please everybody let me hear you

Sha la la la la la la
Body 2 Body
There's a party tonight
And when we dancing we hear people singing
Sha la la la la la la
Body 2 Body
If you feel you the front tonight
Please everybody let me hear you

Verse Three: Samantha Mumba
My mama said
To get things done
You gotta go to school
Ain't gonna have no fun
My mama said
You're still too young
You gotta slow it down
Ain't gonna have no fun
My mama said
To get things done
You gotta go to school
Ain't gonna have no fun
My mama said
You're still too young
You gotta slow it down
Ain't gonna have no fun
No No
Rap 2: Tan Caramel
Uh, uh just move in time
Take my waste and wine
On the dancefloor a ghetto shrine
When you can break pop
Or just skin out your front
Or just ride to the beat
The slide's all we need
Can you keep up baby?
While I ready to steady?
The rime shots gotta me feelin' kinda naughty
We having sex with a clothes on
Shake your bon bon
I know you want some but keep your pants on
I'm the inner's chick in this party, heavenly body
My girlfriend right here chillin' sipping on Bacardi
Taste the sweat in the air, but we don't care
Ah, ah, yeah, yeah
Chorus: Terri Walker
There's a party tonight
And when we dancing we hear people singing
Sha la la la la la la
Body 2 Body
If you feel you the front tonight
Please everybody let me hear you
Sha la la la la la la
Body 2 Body
There's a party tonight
And when we dancing we hear people singing
Sha la la la la la la
Body 2 Body
If you feel you the front tonight
Please everybody let me hear you
