Same Difference, Turn It Into Love

Did you believe I'd let you down Your jealous heart give you the runaround You couldn't see That I would always be a friend If you can look inside your heart And understand what's tearing you apart You gotta trust someone Don't let hate get in the way [CHORUS] Just turn it into love Turn it into love And open up your heart and you'll Never feel ashamed if you Turn it turn it turn it into love When all your other friends are gone I'll still be here to help you carry on If you have faith in me Then I'll believe in you You are the first thing on my mind Did you believe I wouldn't have the time I have to make you see You can't push the pain on me [CHORUS] Just turn it into love Turn it into love And open up your heart and you'll Never feel ashamed if you Turn it turn it turn it into love Just turn it into love [x4] If you can look inside your heart And understand what's tearing you apart You gotta trust someone Don't let hate get in the way [CHORUS x4]
