

Samiam, Boy With Monkey

So you're still running from the girls
Just like you did when you were small
They were cruel
Big sister big, big sister strong.
But that's not really what you're frightened of and
Oh, oh, oh
{Chorus}
Don't you want to know
What it would be like
To look the way you feel,
The way you feel inside.
And in this race, it gave a chase
That noone wins, no finish line.
If you get caught, she'll hold you down between her knees.
Make you say things
That you don't really mean.
{Chorus}
Lying to yourself
Painting pictures in your cell
Did you find
Another place to hide?
So you're still running from the girls
Just like you did when we were kids
They were mean,
Big sister big, big sister strong
Don't want your friends to see her
Holding your hand
{Chorus}
Don't you want to know
What it would be like?
What's it like to look the way
You feel inside?
So what's it like to look the way
You feel inside?
So what's it like to look the way
You feel inside?
