

Sammie, If I Can

I wanna be the one
Ooh...if I can baby
Yeah
Girl I wanna be I wanna be

When I fell
I always knew that we would do well
I never thought of you of a sell out girl
I'd give my world to you can't you tell I will be
there

But sometimes
You throw me off and get out of line
And I can't take this feeling inside I get
I've been into you girl for sometime just come by
my side
'Cause all I want

I wanna be the one to hold you if I can
I would give you the stars above, you'll know who I am
I wanna be the one to show you I'll make you stand
I wanna be the one, I wanna be the one if I can

I'll never let you feel out of place
'Cause bein' with you, girl, is an age to me
I hope this life will ever proceed
That's how we should be

There'll be times
When the day when you just won't leave my mind
I'd have to say that it's a different side of me
Better than candy for free, don't believe me when I
say

I wanna be the one to hold you if I can
I would give you the stars above, you'll know who I am
I wanna be the one to show you I'll make you stand
I wanna be the one, I wanna be the one if I can

I wanna be the one to hold you if I can
I would give you the stars above, you'll know who I am
I wanna be the one to show you I'll make you stand
I wanna be the one, I wanna be the one if I can

My heart is open, girl
If you notice it all
Girl, the time will come when I'll be the one
With you forever more, yeah

I wanna be, I-I wanna be
I wanna be, girl, I wanna be
I wanna be, I-I wanna be
I wanna be, girl, I wanna be

I wanna be, I-I wanna be
I wanna be, girl, I wanna be
Wanna be, wanna be the one, babe
I wanna be the one if I can

I wanna be the one to hold you if I can
I would give you the stars above, you'll know who I am
I wanna be the one to show you I'll make you stand
I wanna be the one, I wanna be the one if I can

I wanna be the one
I would give you the stars
I wanna be the one
I wanna be the one, I wanna be the one if I can
