

# Sammie, What About Your Friend

[Verse 1:]

I Dont Wanna Seem Like A Playa Girl  
But I Gotta Play My Cards Right  
And Tell You The Truth Bout What I Like  
Its The Simplest Things  
The Way You Walk, The Way Talk Gurl Your So Fly  
But Ya Girls Got My Eye  
I Think You Should Know That...

[Chorus:]

You So Fine, But What About Your Friend  
One That Was Wit You When Ya Walked In  
(Gurl I Know You Dont Here This Often)  
You So Fine But What About Your Friend  
One That Was Wit Chu When You Walked In  
She's What Im Lookin For

[Verse 2:]

Baby Look On The Bright Side  
For You Wont Be Wit Me  
You Can Still Roll Wit The Team  
Gurl As Long As Ya Friend Is Comin  
(But Dont Rush)  
Let Her Kno, I Gotta Know Her(Wit This Hook Up Gurl)  
Her Beauties A Crime And She Needs Ta Be Handled  
Ive Been Feelin This Villian For To Long And I Cant Go On  
Less She Give Me The Digits  
For That Call And We Finally Talk(Ooo She Sexy)  
And I'll Be Completly Satisfied If She Would Only Touch Me  
And She's Ready Ta Leave..(Ooo Gurl)

[Chorus x2:]

You So Fine, But What About Your Friend  
One That Was Wit You When Ya Walked In  
(Gurl I Know You Dont Here This Often)  
You So Fine But What About Your Friend  
One That Was Wit Chu When You Walked In  
She's What Im Lookin For
